

IT AFFECTS YOU...

#YourFuture #YourSay

West Suffolk Local Plan

supports the future prosperity of all our communities. It sets out where new homes will be built, supports jobs and looks at challenges such as climate change, the environment, the economy, health, education and transport provision up to 2040.

This is your future. Get involved and shape the local plan. Check out the virtual exhibition and answer a few questions at <https://westsuffolk.exhibition.app/> 13 October to 22 December.

Any questions?

Our planning team are available for live chat during the consultation on Mondays, Wednesdays and Fridays at <https://westsuffolk.exhibition.app/> between 10am to 12noon and 4pm to 6pm, or email planning.policy@westsuffolk.gov.uk, or call 01284 757368.
