6080	<p>Minutes of the last meeting</p> <p>The minutes from the Parish Council meeting on 4th April 2022 were circulated prior to the meeting. Cllr Kronbergs asked for an amendment to minute reference 6054 the incorrect date was stated. It should have been 26th not 25th. The minutes were proposed by Cllr Steer and seconded by Cllr Holmes with all Councillors in agreement.</p>	
6081	<p>COUNTY COUNCIL REPORT</p> <p>The County Councillor report was moved up the agenda due to Cllr Soons having to attend multiple meetings. Cllr Soons confirmed the meeting with Highways on 16th May and asked for as many councillors to attend as possible. Cllr Pearson expressed his concerns over the need to dredge the pond when the outfall pipe is clearly not blocked and suggested that the drains needed to be reengineered instead.</p>	

	<p>The work to the pavement outside the doctor's surgery has been confirmed. Cllr Soons is still waiting for a timescale.</p> <p>The Clerk asked if the 40mph VAS can recorded data and if the Parish Council could have a copy of the data. Clerk has emailed Highways but not had a response. Clerk to email Cllr Soons.</p> <p>Cllr Bragg expressed his concerns over the road works on the road from Saxham to Bury and the length of time it will take. Clerk to email Cllr Soons and request more information.</p>	<p>Clerk</p> <p>Clerk</p>
6082	<p>Presentation from representative from Lanpro Services re Land East of Barrow Hill</p> <p>The representatives handed out slides to the Parish Councillors (Appendix 1) The proposal for the land east of Barrow Hill was for 120 houses with potential for allotments and open space (fields 1 and 3 in appendix 1). Concerns were highlighted about the land put forward in WSC Local plan due to coalescence with Burthorpe and Denham. It was made clear that there were possibilities for sports pitches/community building/nature reserves and that the landowner was willing to give something back to the community. The land proposed for community use would prevent the village moving further East in the future. When asked how many houses field 1 and 3 could accommodate it was stated that the full 170 new dwellings wanted by WCS could be accommodated on fields 1 and 3 meaning there would be no need to develop the Denham Lane site. A bigger site could deliver more affordable homes. The access to field 3 could be through field 1 with pedestrian access into the centre of the village.</p> <p>It was acknowledged that the Parish Council were not happy about WSC imposing additional houses. The Parish Council confirmed they would be challenging the numbers.</p> <p>In light of the proposed plans, Cllr Steer declared a potential interest.</p>	
6083	<p>Highways</p> <p>a) 316321 - Brittons Road, Barrow It has come to light that the outfall pipe in the pond is not silted up. Parish Councillors to attend meeting with Highways on 16th May.</p> <p>b) Footpath improvements opposite Doctor's Surgery Cllr Soons confirmed the improvements were a minimum of 14 weeks away. Cllr Pearson raised concerns that the plans do not cover a long enough distance of pavement.</p> <p>c) 40 mph VAS Clerk to email Cllr Soons to find out if we can have the data from the VAS and when it will next be in the village.</p> <p>Cllr R Rawlings to request that the Kestrel Team complete a speed check within the 40mph limit.</p>	<p>All Cllrs</p> <p>Clerk</p> <p>RR</p>

The Parish Council have asked WSC to explain their methodology to get to 170 new homes for Barrow. They have offered another meeting which Cllr Kronbergs has accepted. Prior to this meeting the Parish Council need the methodology used.</p> <p>Cllr Kronbergs suspects there is no negotiation on numbers. He agreed that coalescence needs to be given importance and stated that the sites in the WSC plan are open to negotiation.</p>

COMMUNITY POLICE REPORT – MAY 22

MESSAGES

There were no messages to cascade during April 22.

REPORTED CRIME FOR THE MONTH OF March '22 –

As at 8th May 2022, figures for March '22 have not yet been posted on Suffolk Constabulary website.

ACTIVITY

Our Community Engagement Officer attended the open day event on the 9th April in the village hall. He came fully prepared with banners, leaflets, and stickers etc. Despite having advertised, extensively the event (Newslink, notice boards, posters, social media groups and message cascade), it was disappointing that the residents failed to respond; only one attended. We will be looking for the CEO to engage with the residents in less formal arrangements. He is very keen to get to know the public, and after so many years of not having a Police presence, I would have thought the event would have been better supported. A wasted morning!

I was scheduled to attend a forum with the Police Crime Commissioner on the 11th April; due to lack of numbers this was cancelled. I am not sure whether or not this will be re-arranged.
